The Faculties, for intellectual abilities, moral
worth and professional acquirements, will compare
favorable with the most distinguished in our
country. The medical faculty constitutes an anomaly
in this or any other country—all of them are able
lecturers and the best of teachers.
Those who will contemplate our geographical
position, and the extent of our population, can have
no doubt as to the eligibility of our situation for an
enterprise of the kind. As to health, including
all seasons of the year, we deny that ANY OTHER
CITY HAS MORE.
A common error exists in the minds of many
students relative to the place of studying medicine;
those who intend practicing among the diseases of
the West and South should certainly educate
themselves at a school whose faculty are practical-
ly acquainted with those diseases.
That the public may be satisfied of the perma-
nency of this school, we feel it our duty to state,
that the Trustees and Faculty form a UNIT in action
which augurs well for its future success; and that
the peculiar internal organization which connects
them, cannot be interrupted.

Nature will be much assisted by their use, in
anticipation of certain periods, or where there is

changes, and will relieve the suffering, pain and
distress common to many at those periods. There

Mothers do not mistake the ailments of your
daughters; when afflicted with Head-ache, Dizzi-
ness, Fainting, Loss of Appetite, Sickness of the
Stomach, Pains in the Sides or Breasts, Pains al-
ong the Back, Spine or across the Loins, Hysteri-
cal or Nervous feeling, Depression or Lowness of
the Spirits, Melancholy Dislike to exercise and
society, Palpitation of Heart, Bleeding at the nose

complaints, Dyspepsia, Consumption, &c., when
the real cause is not suspected; and through im-
proper medicines and treatment their constitutions
are destroyed; and they become miserable during life.
Thousands of Females in Philadelphia, New
York, Boston, Baltimore and elsewhere know the

yellowness of the skin and eyes, pain in the side, back
chest and limbs, sudden flashes of the Heart, burning in
the flesh, imagining of evil and great depression of spirits,
CAN BE EFFECTUALLY CURED BY
DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled,
equaled, by any other preparation in the United States,
as the cures attest, in many cases after skillful physicians
had failed.
These Bitters are worthy the attention of invalids. Possess-
ing great virtues in the rectification of diseases of the
Liver and lesser glands, exercising the most searching
powers in weakness and affections of the digestive organs,
they are, without a safe, certain and pleasant.
READ AND BE CONVINCED.
Chas. Robinson, Esq., Easton, Md., in a letter to Dr.
Jackson, Jan. 9, 1850, said:
"My wife and myself have received more benefit from
your medicine than any other we have ever taken for the
Dyspepsia and Liver disease."
"The Tenth Legion," published at Woodstock, Va.,
Jan. 10, 1850, said:
"A GREAT MEDICINE"
"We have uniformly refrained from recommending to
the public any of the various Patent Medicines of the day,
unless thoroughly convinced of their value. Among those
we consider worthy of notice is the German Bitters, in-
vented by Dr. Hoofland, and prepared by Dr. Jackson, in Phila-
delphia. One instance in particular, in which the superi-
or virtues of this medicine have been tested, has fallen
under our observation. During the last summer, a son of
Mr. Abraham Brubill, of this country, was very seriously
afflicted with Liver Complaint, and after trying in vain
various remedies, he purchased a bottle of the Bitters and
after using it, was so much relieved of his distressing mal-
ady that he procured another bottle, and is restored entire-
ly to health."

READ FURTHER A FEW FACTS.
The "Philadelphia Democrat," the leading German jour-
nal of Philadelphia. The editor said, Nov. 24th—
"We again call attention to the removal of the German
Medicine Store, the principal depot for the sale of Dr. Hoof-
land's German Bitters, from 278 Race to 120 Arch street,
one door below Sixth. Owing to the increased demand
for this medicine, and for the accommodation of his nume-
rous patients, Dr. Jackson has been compelled to occupy a
larger store. We wish him success in his new quarters;
he is deserving of it. The Bitters Mixture is without doubt
the greatest medicine extant for diseases of the Liver and
BOWELS. A subseriber who had exhausted the
Mother Medicine of the different schools of medicine with
no apparent benefit. He was induced to use these Bitters,
and a few bottles of them have entirely cured him. Many
other cases we could refer to. We hope our readers will
recollect this great restorative, should they be so unfortu-
nate as to require its use. Dr. Jackson possesses the origi-
nal unpublished receipt of Dr. Hoofland, and he prepares
this medicine with the care. These purchases should
be at his store, or see that his name is written upon the
wrapper outside, and blown in the bottle, as imitations of
all good articles are common."
Judge M. M. Noah, a gentleman with great scientific
and literary attainments, said in his "New York Weekly Mes-
senger," Jan. 6, 1850:
"DR. HOOFLAND'S GERMAN BITTERS.—Here is a pre-
paration which the leading chemists in the Union appear to
be unanimous in recommending, and the reason is obvious.
It is made after a prescription furnished by one of the most
celebrated physicians of modern times, the late Dr. Christo-
pher Wilhelm Hoofland, Professor to the University of
Jena, Private Physician to the King of Prussia, and one of
the greatest medical writers Germany has ever produced.
He was emphatic in his recommendation, and therefore
of much weight in which he was the inventor and endorser may
be confidently relied on. It is specially recommended in
liver complaint, dyspepsia, debility, vertigo, acidity of the
stomach, constipation, and all complaints arising from a
disordered condition of the stomach, the liver and the in-
testines. Nine Philadelphia papers express their conviction
of its excellence, and several of the editors speak of
its effects from their own individual experience. Under
these circumstances we feel warranted not only in calling
the attention of our readers to the present proprietor's (Dr.
C. M. Jackson's) preparation, but in recommending the ar-
ticle to all afflicted."

MORE EVIDENCE.
The "Philadelphia Saturday Gazette," the best family
newspaper published in the United States, the editor says of
DR. HOOFLAND'S GERMAN BITTERS.
"It is seldom that we recommend what are termed Pat-
ent Medicines to the confidence and patronage of our read-
ers; and therefore, when we recommend Dr. Hoofland's
German Bitters, we wish it to be distinctly understood that
we are not speaking of the nostrums of the day, that are
used about for a brief period and then forgotten after they
have done their guilty race of mischief, but of a medicine
long established, universally praised and which has met
the hearty approval of the Faculty itself."
Evidence upon evidence has been received (like the
foregoing) from all sections of the Union, the last three
years, and the strongest testimony in its favor, is, that there
is more of it in the practice of the regular Physicians of
Philadelphia than all other nostrums combined, a fact
that can easily be established, and fully proving that a
scientific preparation will meet with their quiet approval
when presented even in this form.
That this medicine will cure liver complaint and dyspep-
sia, no one can doubt, after using it as directed. It acts
specifically upon the stomach and liver—it is preferable to
calomel in all bilious diseases—the effect is immediate.—
They can be administered to female or infant with safety
and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.
This medicine has attained that high character which
is necessary for all medicines to attain to induce con-
fidence to put forth a spurious article at the risk of the lives
of those who are unwisely deceived.
LOOK WELL TO THE MARKS OF THE GENUINE.
They have the written signature of C. M. JACKSON
upon the wrapper, and the name blown in the bottle, with-
out which they are spurious.

THE GREAT SUMMER MEDICINE!
DR. GUYSSOT'S
IMPROVED EXTRACT OF
YELLOW DOCK AND SARSAPARILLA
For the cure of all diseases or disorders generated
by impure blood. Its great success justly entitles
it to the name of the
GREAT AMERICAN SPECIFIC.
So far as it is known it is universally appreci-
ated, and many eminent physicians use it daily in
their practice with the most happy effects, and cer-
tify that it is the best extract in existence, and the
only one that
STANDS THE TEST OF TIME.
Every year adds to its great popularity, and mul-
tiples its astonishing cures. The victim of
HEREDITARY SCROFULA,
With suppurating glands, honey-combed flesh, and
carries eating into his bones, finds Guyssot's
Yellow Dock and Sarsaparilla a balm for his af-
flictions. His horrible torments are assuaged, and
his malady not only relieved, but
PERMANENTLY CURED.
It may be safely asserted, from the results of
past experience, that "Dr. Guyssot's Extract of
Yellow Dock and Sarsaparilla," is beyond all com-
parison, the
MOST WONDERFUL REMEDY ON EARTH
for the following diseases, and all others proceeding
from
VITATED BLOOD.

Scrofula or King's Evil, Rheumatism, Obsolete
Cutaneous Eruptions, Pimples or Pustles on the
face, Blotches, Boils, Chronic Sore Eyes, Ring-
worm or Tetter, Scald Head, Enlargement and
Pains of the Bones and joints, stubborn Ulcers,
Syphilitic Lumbago, and Diseases arising from
an
Injurious use of Mercury, Acites or Dropsy,
Exposure, or Imprudence in Life, Liver Com-
plaint, Ague and Fever, Intermitting Fever,
Cholera Morbus, Dysentery, Diarrhoea, Pleth-
ora of Blood in the Head, Piles, Pains in the
Back, Sides, Breast or Loins, and
all forms of Muscular, Glandular and Skin
Diseases.
It is a sovereign specific for General Debility,
and the best restorative for a Broken Constitution.
It traces and re-invigorates every organ, pro-
motes activity and regularity in every function, and
produces that condition of the whole physical system,
which is the best security for
LONG LIFE!
Let all who wish to purge the blood from the im-
purities contracted from free indulgence of the ap-
petite during the winter, and to prepare the system to
RESIST SUMMER EPIDEMICS,
Resort now to "Guyssot's Extract of Yellow Dock
and Sarsaparilla," which is proving itself an anti-
dote for many of the most malignant diseases that
flesh is heir to, and they will never be disappointed;
for in this remedy the public faith has never wa-
vered—never can waver; for it is founded on expe-
rience, just as their want of faith in other and spu-
rious compounds is also founded in experience.
FLY FROM MINERAL NOSTRUMS
to seek help, life a vigor from this
PURELY VEGETABLE REMEDY,
Therefore, however broken down in health and
spirits, however loathsome to himself and others,
let no one despair of recovery, let the patient only
understand that his hope of physical restoration
lies only in "Guyssot's Extract of Yellow Dock and
Sarsaparilla," and persuade him for his
LIFE'S SAKE
to try it; and we have no hesitation, in predicting
his speedy restoration to health.
As a means of regulating all the functions of
WOMAN'S DELICATE ORGANIZATION,
it has no equal in the materia medica, and at that
critical period of life, when the first stage of her
decline commences, its curial and invigorating
properties will enable her to pass the crisis safely.
None genuine unless put up in large bottles
containing a quart, and name of the Syrup blown
in the glass, with the written signature S. F. Ben-
nett on the outside wrapper.
Price, 81 per bottle—or 6 bottles for 85.

Jew David's or Hebrew Plaster,
THE GREAT REMEDY.
For Rheumatism, Gout, Pain in the Side, Hip,
Back, Limbs and Joints, Scrofula, King's
Evil, White Swellings, Hard Tumors, Stiff
Joints and all Fixed Pains whatever. Where
this Plaster is applied, Pain cannot exist.
THESE PLASTERS possess the advantage of being
put up in airtight boxes—hence they retain their full
virtues in all climates.
HAVE YOU FRIENDS GOING TO CALIFORNIA?
All means advise them to take along a supply of this
plaster, it may save them hundreds of dollars, if not their
lives, as the exposures which they have to endure in the
mines are sure to bring on disease, which might be easily
cured by the use of this celebrated plaster, for the want of
which many have been obliged to quit their labors and fall
into the hands of the physicians, who, by their extraor-
dinarily high charges so soon take away the hard earnings of
the bravest laboring man. By sleeping in tents or on the
ground, Rheumatism, Spinal Disease, Stiff Joints, Lame
Back or Side, and all like diseases are sure to trouble them,
and many times entirely lay them up, when the simple
application of this plaster would give them immediate re-
lief, and enable them to proceed with their labors without
delay.

It has been very beneficial in cases of weakness, such as
Pain and Weakness in the Stomach, Weak Limbs, Affec-
tions of the Spine, Female Weakness, &c. No female,
subject to pain and weakness in the back or side, should
be without it. Married ladies, in delicate situations, find
great relief from constantly wearing this Plaster.
The application of the Plaster between the shoulders has
been found a certain remedy for Colds, Coughs, Phthisis,
and Lung Affections, in their primary stages. It destroys
inflammation by perspiration.
**JEW DAVID'S OR HEBREW PLASTER IN NORTH
CAROLINA.**
Messrs. SCOVILL & MEAD: I have been troubled with
the chronic rheumatism for the last twelve years. On the
1st of July, 1849, I was so bad that I could not turn myself
in bed, and the pain so severe that I had not slept a wink
for six days. At this time my attending physician prescribed
the "Hebrew Plaster," and it acted like a charm; the
pain left me, and I slept more than half of the night, and in
three days I was able to ride out. I consider the "Hebrew
Plaster" the best remedy for all sorts of pains now in use.

Dr. Keeler's Cordial and Carminative, is certainly a
valuable desideratum in every family, to the young and
adult, but particularly where there are children. We
speak advisedly, because we have thoroughly tried it, and
proved its healing and efficacious properties in our family.
We would most cordially recommend the public to give it
a fair trial, which is only wanting to appreciate its value.
From the North American and United States Gazette,
Sept. 4th 1847.
In these days, abounding in fruit, it behooves every one
to be prepared with a remedy for the evil effects which it
sometimes produces—we have been told by those that
know and who have tried it, that Keeler's Cordial is an
article which has been used in some of the severest cases
of Summer Complaint, both in infants and grown persons.
The Cordial can be procured at the corner of Third and
South Streets.

From Neal's Saturday Gazette August 25th 1847.
Dr. Keeler's Cordial.—We would call the attention of
our readers to this invaluable medicine, which will be
found advertised at length in our columns. As a corrective
in cases of Diarrhoea, a disease very prevalent at the pre-
sent time, it is highly spoken of by all who have used it.—
It is perfectly safe in its nature, and we speak experi-
mentally, when we say that it affords immediate relief.
From the Pennsylvania Inquirer, Sept. 1st 1847.
Dr. Keeler's Cordial and Carminative.—This article is
advertised in another part of our paper, it is warmly re-
commended by families who have tried it. It is especially
useful among children, and has effected hundreds of cures.
The doctor is abundantly supplied with testimony upon the
subject, some of which is very strong. The Cordial is not a
quack nostrum, but a carefully prepared medicine, and
perfectly free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th 1847.
We are constrained to say that the "Carminative," of Dr.
Keeler, is now extensively used in this City, it rapidly
finds its way to public notice, and its ingredients are a
course unknown, but it is mild in its operation, pleasant
the taste, and a remedy quite as good as any now used for
the same complaints.

From the Daily News, July 15th, 1850.
Summer Complaint.—The season when this complaint
exists is now here. If persons having it in their families
would only purchase a bottle of Dr. Keeler's Carminative
Cordial, they would save much expense and trouble. We
peak of the virtues of this medicine knowingly.
